Willow Creek Reclamation Committee

February 6, 2001

Introductions of members and misc. business: Jack Morris (new owner of Last Chance Mine). Mr. Morris is restoring the buildings and doing an internal exploration of mine next week.

Approval of minutes: Minutes were read and approved.

Airport Corner: Glen Miller has a map of XRF testing results. Investigation into possible clean up remedies and procedures are under way. Mark Walker will have final say over any proposed plan. Chuck Barnes expressed an appreciation for the work that Glen Miller had done on the map and for the effectiveness of the Willow Creek Reclamation Committee. **Budget Report:** Glen Miller has prepared a report of our current budget. After reviewing the report, Glen asked the committee to authorize spending \$3,000 on equipment to be used in exploring mine shafts. JB Alexander motioned to approve this expenditure, Rex Sheppard seconded. Kathleen Reilly abstained due to a conflict of interest.. Motioned carried. **TAC Committee:** John Howard was absent so a report was not given **Meeting adjourned** Minutes submitted by:
